- Style Notes: 1. The state designation for destination cities are occasionally omitted. However, missing state designations are usually obvious, and so the state designation, if any, are automatically appended within enclosing [brackets].
2. The original ledger material has been slightly edited and obvious spelling errors corrected, but in all instances the original intent has been preserved. Otherwise the reader would be confronted with an endless number or annoying (sic) notations.

S/N	Style Name and/or Typ	Case Finish	Ledger Date
105031	Style W Organette Destination: Anderson, S. C.	Walnut	12/1/1927
105032	Style W Organette Destination: W. Palm Beach. Fla.	Walnut	11/26/1927
105050	Style O Special Destination: Minneapolis, Minn Notation: Piano shipped was organ [sloppy handwriting for "was;" possibly should be "shipped with organ"] Comments: Wurlitzer piano #105050, along with the theater organ to which it was attached, was removed from the Minnesota Theatre in Minneapolis, Wisconsin. The piano has a gold plate and was originally a vacuum-operated theatre organ piano with a magnet rail for controlling the 4-in-1 valves from the organ relay. The reference to "Style O Special" is not understood. Wurlitzer did make a Style O Photoplayer that could be played manually or played by Wurlitzer 65-note music rolls.	-----	2/24/1928
